Our extensive 1500sq ft showroom boasts a wide selection of Furniture & Accessories... An "Aladdins Cave" whereupon every visit you will find something new to delight you.

All our furniture ranges are carefully selected from experienced and established manufacturers combining traditional production methods of hand craftsmanship together with top quality materials. We also offer a fully bespoke service in pine, oak or painted finishes so whatever you are looking for we are confident we can meet your requirements.

Furniture from the Forest

A beautiful range of solid european oak contemporary furniture where the natural knots and distressed timber treated with a white finishing oil creates a stunning aged look combined with modern contemporary styling.

HANDMADE BY
PIXIES

*OK, it's not really made by pixies. But it is beautifully crafted by humans.
